

Name _____

ECOSYSTEM TREASURE HUNT

Explore to find an item for each clue. If you look carefully, you may find more than one answer for some of the items. If you don't know the name of a plant or insect, draw a picture. Help your friends and share your answers.

Insect	Vegetable or fruit	Grows on vines
Concrete	Prickly leaf or stem	Leaf with smooth edges
Water	Grows in the Ground (you only see the tops)	Something I've never seen before
Seed	Serrated or jagged leaf edges	Soil
Shiny Leaf	Something Brown (not living)	Seed Pod
Green vegetable	Water on a leaf	Vegetable with smooth, hard skin
Rocks	A plant that smells good	Leaves the insects have chewed (evidence of an insect)
A bee collecting pollen	Another insect - what is it doing?	My favorite thing
